APPROACH

An interactive lecture was chosen for TPs 1, 2 and 5 to orient the cadets to and generate interest in Master Cadet mandatory and complementary training opportunities as well as the On-the Job Practical Requirements (OJPR) and Master Cadet Logbook.

A group discussion was chosen for TPs 3 and 4 as it allows the cadets to interact with their peers and share their knowledge, experiences, opinions, and feelings about summer training opportunities, leadership assignments and leadership appointments at the corps.

An in-class activity was chosen for TP 6 as it is an interactive way to provoke thought and stimulate interest among the cadets as they develop a personalized schedule.

OBJECTIVES

By the end of this lesson the cadet shall have identified the training opportunities in Master Cadet and have developed a personalized schedule for the training year(s).

IMPORTANCE

It is important for cadets to know what training will be conducted during Master Cadet training to give them an overview of what the training year(s) will entail. This lesson will help generate interest in the topics and provide a basis on which the cadet will balance school, work, personal and cadet commitments to establish a personalized schedule.

Teaching point 1 **Identify Master Cadet mandatory training common to the sea, army and air elements of the CCO.**

Time: 10 min Method: Interactive Lecture

OVERVIEW

The training program is broken into performance objectives (POs), which are the overall subjects, and enabling objectives (EOs), which are the topics within each PO. Training is conducted as mandatory and complementary components. Master Cadet also sees the addition of two new topic areas, Professional Development and Personal Development.

MANDATORY TRAINING

Mandatory training encompasses the EOs that all cadets must complete throughout the training year(s). Master Cadet mandatory training is common for sea, army and air cadets. The number of periods allocated for mandatory training is minimal, to allow cadets more free time to tailor their training year(s) to suit their individual circumstances.

Community Service – PO 502 (Perform Community Service)

The aim of Master Cadet community service is to encourage the cadet to be an active citizen through participation in local community service activities. Cadets are expected to complete a prescribed number of hours of community service, with at least one of those activities completed with the community service leaning model, to meet the requirements of this PO.

Leadership – PO 503 (Lead Cadet Activities)

The aim of Master Cadet leadership is to provide the cadet with knowledge and skills to practice leadership during naturally occurring leadership assignments, structured leadership appointments, and a team leadership project. The cadet, as a member of a team, will:

- propose an exercise;
- plan an exercise;
- conduct an exercise; and
- conclude an exercise.

Personal Fitness and Healthy Living – PO 504 (Adopt an Active Lifestyle)

The aim of Master Cadet personal fitness and healthy living is to encourage the cadet to set and pursue fitness goals that contribute to an active lifestyle. Cadets are expected to complete the Cadet Fitness Assessment as well as a prescribed number of hours of physical fitness to satisfy the requirements of this PO.

General Cadet Knowledge – PO 507 (Serve in an Army Cadet Corps)

The aim of Master Cadet general cadet knowledge is to provide the cadet with information on the opportunities inherent in the Army Cadet Program and prepare the cadet for Master Cadet assessment of learning requirements. Cadets will identify the training opportunities available in Master Cadet.

Instructional Techniques – PO 509 (Instruct Cadets)

The aim of Master Cadet instructional techniques is to refine the cadet's skills in instructing a 30-minute lesson. Cadets are required to be successful on at least one assessment of their instructional skills during Master Cadet. Since Master Cadet cadets will normally be the primary instructors at the local corps, many opportunities

exist for them to develop their skills. Lessons can also be instructed at other locations, such as at Cadet Summer Training Centres (CSTCs), gliding centres, etc.

Personal Development – PO 513 (Attend a Workshop)

The aim of PO 513 (Attend a Workshop) is to provide the cadet with personal development to enhance common training skills. Workshops are intended to be tri-service and provide the opportunity for cadets to participate in consolidated training with peers from different corps and corps on a variety of topics related primarily to leadership and instructional techniques. Master Cadet cadets are expected to complete four workshops to successfully complete this PO.

Personal Development – PO 514 (Pursue Individual Learning)

The aim of PO 514 (Pursue Individual Learning) is to provide the cadet an opportunity to pursue an Army Cadet Program topic area using a personal learning plan to develop specialist skills. The participation and / or performance requirements are defined through an individual learning plan (ILP) that outlines a series of objectives to be met within the cadet's area of interest. The ILP is developed by the cadet in consultation with the Course Officer and Corps Training Officer and approved by the Commanding Officer (CO). The provision of a goal setting opportunity allows the cadet to pursue an area of personal interest related to the CP.

CONFIRMATION OF TEACHING POINT 1

QUESTIONS:

Q1. What is the aim of Master Cadet citizenship training?

Q2. What is a cadet expected to complete to satisfy the requirements of PO 504?

Q3. Will workshops be elemental or tri-service?

ANTICIPATED ANSWERS:

A1. The aim of Master Cadet citizenship is to introduce the cadet to their roles and responsibilities as a citizen in a globalized world.

A2. Cadets are expected to complete the Cadet Finess Assessment as well as a prescribed number of hours of physical fitness to satisfy the requirements of PO 504.

A3. Workshops are intended to be tri-service and provide the opportunity for cadets to participate in consolidated training with peers from different corps / corps on a variety of topics related primarily to leadership and instructional techniques.

Teaching point 2 **Identify Master Cadet complementary training opportunities.**

Time: 10 min Method: Interactive Lecture

MASTER CADET COMPLEMENTARY TRAINING

Master Cadet complementary training has been designed to be self-directed, self study and three periods (90 minutes) in length. The cadet will complete a minimum of three complementary packages. While the packages are self study, they are not intended to be treated as take home assignments. Instead, cadets shall be given time during a regular training session or day to complete the packages (eg, on a parade night when the cadet is not scheduled to instruct or lead an activity). However, there is nothing precluding a cadet from completing additional self study packages at any time, should they choose to do so.

COMMON COMPLEMENTARY TRAINING

Common complementary training self study packages are available in four topic areas.

Citizenship – PO 501 (Explain Global Citizenship)

C501.01 (Reflect Upon What It Means To Be a Good Canadian Citizen) examines what it means to be Canadian and how to become an active and responsible citizen;

C501.02 (Reflect Upon Individual Global Citizenship) provides the cadet an opportunity to reflect upon how globalization affects daily choices in all aspects of life; and

C501.03 (Analyze a Global Issue) provides the cadet with an opportunity to develop their critical thinking / reading skills.

Leadership – PO 503 (Lead Cadet Activities)

C503.01 (Examine Meeting Procedures) provides the cadet with an opportunity to learn to organize and facilitate meetings.

Personal Fitness and Healthy Living – PO 504 (Adopt an Active Lifestyle)

C504.01 (Reflect on Personal Fitness and Healthy Living) allows the cadets to reflect on and examine in greater detail the key concepts related to physical fitness and healthy living.

General Cadet Knowledge – PO 507 (Serve in an Army Cadet Corps)

C507.01 (Identify Service Opportunities for a Cadet Instructors Cadre [CIC] Officer) examines the choices available to a senior cadet who, upon leaving the CP, chooses to enroll as a member of the CIC. Service opportunities range from local corps to supervising national activities.

C507.02 (Identify Volunteer Opportunities with the Army Cadet League League of Canada [ACLC]) examines the options available to a senior cadet who, upon leaving the CP, chooses to support it by volunteering with the ACLC. This option may suit youth who cannot or do not wish to enroll in the CIC. This self study package includes the opportunity to meet with a member of the corps sponsoring committee.

C507.03 (Reflect Upon the Cadet Experience) provides the tools for a cadet to discover the skills and experience the CP has provided them. It also examines the need to set goals, both short and long term and how to achieve them using an action plan.

Instructional Techniques – PO 509 (Instruct Cadets)

C509.01 (Monitor Instruction) provides cadets with the knowledge and tools to evaluate instruction. This is accomplished though self study and the practical observation of a class.

ELEMENTAL COMPLEMENTARY TRAINING

Elemental training self study packages are available in four topic areas.

Field Training – PO 521 (Investigate Human Impact on Ecosystems)

C521.01 (Recognize the Impacts of Human Activity on Ecosystems) provides cadets with information to understand the concept of ecosystems and to recognize the changes and impacts on ecosystems from outdoor recreation activities and lifestyle choices.

Navigation – PO 522 (Analyze Map Topography)

C522.01 (Analyze Map Topography) provides cadets with an opportunity to build a relief map and to analyse an important historical battle from a topographical perspective.

Outdoor Leadership – PO 525 (Assess Risk)

C525.01 (Examine Elements of Safety and Risk Management) provides cadets with an opportunity to discover how accidents, safety and risks are related, to understand negative and positive behaviours during expedition and to familiarize themselves with a risk management plan.

C525.02 (Recognize Individual Behaviour During an Expedition) is intended to have cadets recognize how various differences between genders, fear, anxiety and waste management, to name only a few have an impact on cadets' experience in the field. Case studies allow reflection on various situations leaders may have to deal with during outdoor adventure activities (OAAs).

C525.03 (Analyze Situations Using Risk Management Strategies) provides cadets with information on judgment and decision-making. Real-life stories are also presented to allow the cadet to analyze and evaluate their skills and to learn from other people's challenges and successes.

Canadian Forces and Outdoor Community – PO 527 (Identify Canadian Army and Outdoor Leadership Educational and Career Opportunities)

C527.01 (Examine Canadian Army and Outdoor Leadership Educational and Career Opportunities) provides guidance to cadets who may be contemplating a career in the Canadian Army or in the Outdoor Leadership field. It also outlines the subsidized educational opportunities the Canadian Army offers for its careers.

Teaching point 3 **Review summer training opportunities.**

Time: 5 min Method: Group Discussion

BACKGROUND KNOWLEDGE

The point of the group discussion is to review summer training opportunities using the tips for answering / facilitating discussion and the suggested questions provided.

STAFF CADET ADVANCED TRAINING

The information below provides a brief introduction of what a staff cadet is and the types of opportunities that exist for them. To obtain more detailed and up-to-date information, CATO 13-28, *Advanced Training–Staff Cadets* should be consulted prior to conducting this lesson.

CATO 13-28, *Advanced Training–Staff Cadets*, defines staff cadets as follows:

- Staff cadets are appointed to such rank as is authorized by the Commanding Officer (CO) of a CSTC established to conduct summer training.
- On the authority of the CO of the CSTC, staff cadets may be requested to participate in advanced training, including instructional, supervisory or administrative functions that are approved by the Regional Cadet Support Unit (RCSU) CO for that training centre.
- Staff cadets may not be less than 16 years of age as of the first day of January of the year of advanced training.
- Staff cadets are not employees. Participation by the staff cadet during authorized CSTC summer training constitutes advanced training.

While staff cadets are not considered employees, they do receive pay during their time at a CSTC. Each position has a designated rank that corresponds to pay incentive. For more details see Annexes B and E of CATO 13-28, *Advanced Training–Staff Cadets*.

Staff cadet classifications are divided into two distinct categories:

- Type 1—provide direct training to cadets (eg, platoon warrant officer and instructor), and
- Type 2—have administrative / support roles (eg, storesman, canteen clerk, and photographer).

Prerequisites are outlined in CATO 13-28, *Advanced Training–Staff Cadets* for each individual position.

GROUP DISCUSSION

TIPS FOR ANSWERING / FACILITATING DISCUSSION:

- Establish ground rules for discussion, eg, everyone should listen respectfully; don't interrupt; only one person speaks at a time; no one's ideas should be made fun of; you can disagree with ideas but not with the person; try to understand others as much as you hope they understand you; etc.
- Sit the group in a circle, making sure all cadets can be seen by everyone else.
- Ask questions that will provoke thought; in other words avoid questions with yes or no answers.
- Manage time by ensuring the cadets stay on topic.
- Listen and respond in a way that indicates you have heard and understood the cadet. This can be done by paraphrasing their ideas.
- Give the cadets time to respond to your questions.
- Ensure every cadet has an opportunity to participate. One option is to go around the group and have each cadet answer the question with a short answer. Cadets must also have the option to pass if they wish.
- Additional questions should be prepared ahead of time.

SUGGESTED QUESTIONS:

Q1. What is the age requirement for staff cadet advanced training?

Q2. What common CSTC courses are available to Master Cadet candidates?

Q3. What elemental CSTC courses are available to Master Cadet candidates?

Other questions and answers will develop throughout the group discussion. The group discussion should not be limited to only those suggested.

Reinforce those answers given and comments made during the group discussion, ensuring the teaching point has been covered.

CONFIRMATION OF TEACHING POINT 3

The cadets' participation in the group discussion will serve as the confirmation for this TP.

Teaching point 4 **Review leadership assignment and leadership appointment opportunities at the corps.**

Time: 5 min Method: Group Discussion

BACKGROUND KNOWLEDGE

The point of the group discussion is to review leadership assignment and appointment opportunities in the corps using the tips for answering / facilitating discussion and the suggested questions provided.

LEADERSHIP ASSIGNMENT

A leadership assignment is a specific, short or long-term practical leadership opportunity. The team leader must apply their leadership skills. The team leader will have temporary team members either within or outside their peer group. The team will accomplish a single minor duty or task.

Leadership assignments in Master Cadet may be the same as Silver Star or of longer duration / complexity. Each cadet should have already completed at least three leadership assignments during Silver Star and Gold Star.

LEADERSHIP APPOINTMENT

A leadership appointment is a long-term practical leadership opportunity. The team leader must apply their leadership knowledge and skills and display the core leadership qualities of a cadet. The team leader will have an assigned, established team of cadets outside their peer group. These may be organizational appointments (eg, Platoon Warrant Officer), training appointments (eg, Star Level Instructor) or supplementary appointments (eg, Drill Team Commander). These appointments must be based on the frequency and duration of the major duties or tasks. The team leader must meet with their team on a number of occasions. Leadership appointments may be held by a single Master Cadet candidate (eg, Drill Team Commander) or cadets may rotate through a position (eg, canteen clerk).

The team leader must supervise team members, communicate with team members and solve problems, strive to meet the needs and expectations of team members, motivate team members, and provide feedback to team members. The team leader must attempt to develop the skills and knowledge of their team members.

Direction for the leadership appointment must be given by a superior usually an activity leader or activity manager.

During Master Cadet training, each cadet will be assessed at least once on a leadership assignment and once while fulfilling a leadership appointment.

Ensure a list of leadership appointments has been developed by the Training Officer before instructing this class. Below is a sample list of leadership appointments

Unofficial convenience copy of A-CR-CCP-705/PF-001, cached 2026-11-08 from https://app.cadets.gc.ca/cadet-publications/A-CR-CCP-705-PF-001/A-CR-CCP-705-PF-001.pdf.
Verify against the official publication.

SAMPLE MASTER CADET LEADERSHIP APPOINTMENTS

Organizational Appointments include:

- Regimental Sergeant Major,
- Company Sergeant Major
- Drill Sergeant Major,
- Platoon 2IC, and
- Flag Party Commander.

Training Appointments include:

- Star Level Instructor,
- Expedition Instructor,
- Air Rifle Marksmanship Instructor,
- Drill and Ceremonial Instructor, and
- Fitness and Sports Instructor.

Supplementary Appointments include:

- Drum Major,
- Band Section Leader,
- Canteen Steward,
- Drill Team Commander,
- Marksmanship Team Captain,
- Range Assistant,
- First Aid Team Captain,
- Biathlon Team Captain, and
- Sports Team Captain.

Master Cadet candidates will typically be assigned the leadership appointments of Platoon warrant officers or supplementary appointments. As required, Master Cadet candidates may be assigned various other organizational and training appointments.

For the purposes of PO 503 (Lead Cadets), Master Cadet candidates will be required to fulfill a leadership appointment that meets the criteria defined above. This requires that the appointment involves an assigned, established team of cadets outside the Master Cadet candidates's peer group. In some circumstances, some of the examples given may not meet these criteria (eg, a smaller corps may not have a drill sergeant major).

Teaching point 5 **Explain the OJPR and Master Cadet Logbook.**

Time: 20 min Method: Interactive Lecture

On-the-Job Training (OJT)

To provide a suitably flexible and dynamic structure to OJT, the traditional period allocation and scheduling employed in previous levels of the CP cannot apply. The cadet participates in authorized sessions and training days / weekends with the corps. Within the 30 sessions and 10-day construct of the Corps Program, all time beyond that required to complete mandatory and complementary training is allocated to OJT and completion of the different components of the Assessment of Learning Plan.

Under the supervision of the Crse O, or designated representative, the cadet completing OJT is responsible for performing a variety of leadership appointments, leadership assignments, leadership projects and instructional responsibilities. Cadets may also be assigned general administrative, support and supervision roles and responsibilities. While the unique nature of each corps dictates the exact OJT experience a cadet will have, at a minimum the cadet shall be provided with suitable assessment for learning and assessment of learning opportunities as outlined in the Assessment of Learning Plan.

On-the-Job Practical Requirements (OJPR)

OJPR are the set of practical requirements needed to satisfy the assessment of learning plan. Practical requirements are a component of the following POs.

PO 502 (Perform Community Service)

The cadet is required to develop a community service plan describing how they will perform community service over the training year(s). The assessment of learning requires that cadets complete at least 45 hours of community service to complete this practical requirement without difficulty. If cadets complete 70 hours or more of community service, they have exceeded the standard.

PO 503 (Lead Cadet Activities)

The cadet is required to complete at least one leadership assignment, leadership appointment and leadership project during the training year(s). The assessment of learning provides details on how each task is evaluated. In addition to the three formal assessments, cadets are provided additional leadership assignments, appointments and projects through the course of their normal duties at the corps.

PO 504 (Adopt an Active Lifestyle)

The cadet is required to complete a minimum of 60 minutes of moderate - to vigorous-intensity physical activity (MVPA) daily for 24 days over four consecutive weeks. If cadets complete a minimum of 60 minutes of MVPA daily for 28 days over four consecutive weeks, they have exceeded the standard.

PO 509 (Instruct Cadets)

The cadet is required to complete at least one formally assessed period of instruction during Master Cadet. The assessment of learning provides details on evaluation. In addition to this formal assessment, cadets will be provided many additional opportunities to instruct through the course of their normal duties at the corps.

PO 513 (Attend a Workshop)

The cadet will complete four regionally facilitated workshops.

PO 514 (Pursue Individual Learning)

Cadets are required to complete a minimum of one ILP over the course of the training year(s). The assessment of learning provides details on evaluation. The cadet's ILP must meet the criteria set out within the assessment

activity instructions by identifying learning needs, learning activities, target dates, learning resources, measures of success and a final report description.

Master Cadet Logbook

A-CR-CCP-705/PW-001, *Royal Canadian Army Cadets Master Cadet Logbook*, is provided to the cadet as a tool to help guide and track their progress. The content of the Master Cadet Logbook consists of a summary of pertinent information regarding OJT and requirements of the Assessment of Learning Plan and Assessment Instruments. It is intended that Master Cadet cadets keep their logbook updated and seek guidance from their supervisor(s) to obtain the required signatures. Once completed, the Master Cadet Logbook is retained by the cadet to record future service.

CONFIRMATION OF TEACHING POINT 5

QUESTIONS:

Q1. Is Master Cadet training scheduled in the same manner as previous years?

Q2. What are the OJPR for PO 502 (Perform Community Service)?

Q3. What will cadets do with their Master Cadet Logbook upon completion of Master Cadet?

ANTICIPATED ANSWERS:

A1. No, to provide a suitably flexible and dynamic structure to OJT, the traditional period allocation and scheduling employed in previous levels of the cadet program cannot apply.

A2. The cadet is required to develop a community service plan describing how they will perform community service over the training year(s). The assessment of learning requires that cadets complete at least 45 hours of community service to complete this practical requirement without difficulty. If cadets complete 70 hours or more community service, they have exceeded the standard.

A3. Once completed, the Master Cadet Logbook is retained by the cadet to record future service.
