CAMP TABLE 3

Using natural materials and cord another example of a camp table (as illustrated in Figure 18AI-1).

1. Collect the natural resources, including:
   a. two poles approximately 2 m long,
   b. two poles approximately 2.5 m long,
   c. two poles approximately 3 m, and
   d. poles approximately 0.5 m long to create the table top.
2. Lash the two 2-m pole to make two ‘A’ frames.
3. Lash a cross-brace the two ‘A’ frames using two 3-m poles.
4. Lash the two 2.5-m poles to the frame to form the table top.
5. Add poles to the table top to complete the structure.
